Release: Immediate

### **Kootenai Electric Cooperative Names General Manager**

Kootenai Electric Cooperative (KEC) is pleased to announce the addition of Douglas A. Elliott to the staff as General Manager. Elliott previously worked as Vice President of Engineering and Operations for Coastal Electric Cooperative in Georgia. He replaces Robert Crump who retired in January after serving as General Manager since 1993.

Elliott earned a master's degree in Business Administration from Western Kentucky University where he concentrated in finance and accounting. He also has a bachelor's degree in Electrical Engineering from Southern Illinois University.

Kootenai Electric Cooperative, Inc. is a member-owned electric utility in Hayden, Idaho. The cooperative provides competitively priced, quality energy services to its members and is governed by an independent seven-member elected board of directors. Kootenai Electric has more than 22,000 member accounts and nearly 2,000 miles of electric line in parts of Kootenai, Benewah, Bonner and Spokane counties. Kootenai Electric employs 75 people and is the largest electric cooperative in Idaho.
