

A Touchstone Energy® Cooperative 

RATE SCHEDULE 1.5
RESIDENTIAL SUPPLEMENTAL SERVICE

AVAILABILITY

Available to members where additional metered electric accounts are required for supplemental purposes including shops, sheds, barns, lighting service, pumps, etc. This cannot be a residence. These additional meters must be located on the same legal property as the residence. Subject to the established rules and regulations of the Cooperative.

APPLICABLE:

To service for domestic purposes supplied through a single meter.

TYPE OF SERVICE

Single-phase 60 cycles, at available secondary voltage.

MONTHLY RATE

Service Availability Charge: \$10.00/month, plus

Energy Charge:	First	2500 kWh	6.4 cents per kWh
	All over	2500 kWh	7.3 cents per kWh

Power Cost Adjustment

The monthly rate is subject to increases or decreases in the Cooperative's cost of wholesale purchased power.

Effective: October 2009 Billings
